SUBJECT	REDWOOD/REDKIN Disapproval of Subject Reference for REDKIN operation		RE: "43-3" - (CHECK "X" ONE) ☒ MARKED FOR INDEXING ☐ NO INDEXING REQUIRED
ACTION REQUIRED	None; for your information		INDEXING CAN BE JUDGED BY QUALIFIED HQ. DESK ONLY
REFERENCE(S)	EDPM-40552, 19 Feb. 1959		
Headquarters is unwilling to approve the use of Subject for a REDKIN mission. Subject is a stateless person born in an area now a part of the USSR and for a brief period in 1939 he was under Soviet rule. As such, Subject would be completely at the mercy of Soviet justice in regard to his citizenship status and subject to arrest and detention or at best coercion or strict security control should he visit a Soviet controlled area. The facts that Subject is a known KIS target and that the KIS is aware of his agent training in FWRIDE contribute to this negative decision.
